

From time to time, State Restoration Services, Inc. (“We”, “Us” or “Company”) may be required by law to provide to you certain written notices or disclosures. The terms and conditions for providing to you such notices and disclosures electronically is described below. Please carefully read the information below. If you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (“Disclosure”), please confirm your agreement by selecting the check-box next to “By checking this box, you acknowledge that you have read and consent to the Terms for Electronic Transactions and Records” before clicking “Save & Continue”.

## **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a reasonable per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

## **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you can change your mind at any time and let us know that you want to receive required notices and disclosures only in paper format. To request paper copies instead of electronic notices, please follow the instructions below.

## **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete transactions with you and deliver services to you. We will send the required notices or disclosures to you in paper format and then wait until we receive them back from you with acknowledgment of your receipt. Further, you will no longer be able to use our website to receive required notices and consents electronically from us or to electronically sign documents from us.

## **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise, we will electronically provide all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through U.S. Mail. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
